

## **Are you thinking about upgrading to a new iPhone, iPad, iMac, Mac Mini or Apple Laptop?**

If you have no specific plans for re-purposing your old Apple items,

Please consider giving them to the Lincoln Hills Apple User Group and we will see that they are completely erased, we will install a fresh operating system, and if they are still minimally usable, we will try to find a home for them.

We have re-purposed items into schools, needy families, etc. and in the case of iPhones, they may go to a facility that gives them to battered women in the Bay Area.

Yes, there may be a renewed life for some of these older Apple items after all.

## **SO**

If you have an Apple product that is a 2010 or newer item, then please bring them ( along with any cases, cables, chargers, power supplies, keyboards, mice, etc. that you would not need anymore ) to any of our Open Lab days, or call the club's Tech Support line ( 916-668-0684) and we might be able to pick them up.

### List of 2010 or newer Apple Items:

iPhone 5S or newer

iPad 2 or newer

iPod Touch

iPod Nano

iMac 2010 or newer

Mac Mini mid 2010 ( Aluminum case) or newer
